## ***Tablecloth Pressed***

**Fall 2019**

### **Ready or Not, Here Comes Fall**

Greetings my fellow tablecloth lovers!

I'm not sure about you, but it seems like summer really flew by this year. As the August quote on our forum pages said, "Summer should get a speeding ticket." It's not that I don't love autumn and all the great fall tablecloths we all have, but that means winter is on its way -- and that never speeds by!

We had a lot happen this summer as you will see as you continue to read on. We are happy to welcome new the members who joined us ... *and* all those who will be joining us during September's Membership Drive.

This fall, we'll be having another Table Setting Contest -- theme and prizes to be announced, so stay tuned.

In closing, I'd just like to thank all of you for your continued support and a special thanks to those who volunteered over the last few months. Without you, there would not be a VTLC. So, ready or not, it's time to fall into fall -- enjoy!

Best always,  
Jimmie and the Board

## Our Database Hit the 2000 Mark, Thanks To Your Help!

The database submission contest was a huge success, thanks to lots of help from our members. There were 178 submissions during the contest month (July 1 – 31), helping us to meet and exceed the 2000 mark.

Cloth number 2000 was this lovely blue plaid with floral nosegays. A rayon cotton blend, this was made under the Fashion Manor label for Penney's and the pattern name is "Flair." Incidentally, the same cloth was made for the Simtex label as well.

The prize for the most submissions went to member Melissa Szilagyi, who submitted a whopping 78 verified tablecloths. Sarah Bailey, however, wasn't too far behind Melissa, with 69 cloths submitted, so even though it wasn't planned ahead of time, the Board sent Sarah a special appreciation prize. All contest participants went into a random prize drawing as well, and our winner there was Pam Speiser, who has submitted numerous tablecloths over the years in addition to the several she submitted for this contest.

Just because the contest is over doesn't mean you should stop submitting your tagged tablecloths. Submitting a cloth to the database is easy. Here's how.

1. Sign into the club's web page, and under the "All Things Tablecloth" tab, select "Tablecloth Database."
2. Click through the link or the icon, and enter your name and password when prompted.
3. In the green bar across the top, select "Add New Tablecloth."

4. Follow the instructions there for submission. You'll need three photos: a full shot of the cloth, a detail shot showing a corner or a typical part of the design, and a shot of the attached paper label or cloth tag.
5. If at all possible, please re-size larger images and make them smaller before submitting. This makes things much easier and quicker for our volunteer database manager.
